Friday 21st June 2019

Dear parents,

Hopefully we are now out of the rain and will be blessed with a sunny sports day, although with a current forecast of 27° we will be needing shade instead! Please watch out for any messages begging for gazebos nearer the day.

This week has been very diverse with lots of sports practices going on, a moderation visit to look at the Y2 work and the NSPCC workshops. Governors enjoyed their end of year school visit and were able to spend time in lots of the classrooms today. Next term the school will receive its SIAMS inspection, looking at our Christian distinctiveness, and we are starting to collate our evidence for this. So along with looking at progress in writing, Governors enjoyed finding out from the children how they deal with conflict and how they are encouraged to put right relationships with others. They also noted how respect is taught and experienced in every day lessons.

#### Netball

Last week the netball team played Whitegrove in an evenly matched and competitive game. Miss Baker was delighted to see how well the team used the skills they have been learning and the way that they worked closely as a team. Sadly they lost, but could come home feeling proud of the way they had performed. We wish them luck in their game against Crown Wood today.

#### Coming up

We are looking forward to Sports Day on Thursday 27<sup>th</sup> June – see the separate letter that was sent out with the important details.
