'I have come that they may have life and have it to the full' John 10:10

Dear parents,

Coronavirus

Following last night's update from the government, anyone who has a persistent cough or high temperature/fever should self-isolate for 7 days. Until further notice, we request that you do not send your child to school if they have these symptoms, and that any parents with these symptoms also avoid coming onto the school site. Thank you for your understanding with these precautions. Sticking together as a community and following the advice to protect us all is what will help get us through this.

What an amazing week! Sports relief week has been an invigorating and exciting week to be at Winkfield St Mary's. I have been so proud of the way that the staff and children have thrown themselves into the physical challenges and opportunities presented to them. From boot camp to barre, from inter-house competition to 'stop, drop and workout' throughout the day (even in singing assembly!). A big thank you to Mrs Reid and Mr Riddell for their help to make the week even better by sharing their skills with us.

5/6 girls football

The girls all played brilliantly, encouraged each other and were a solid, defensive team overall. We drew 4 matches and lost 2. Miss Baker says the girls were an absolute pleasure to spend the morning with and real ambassadors for the school!

WSM Netball team had their first league match after school last Friday - unfortunately, it was a defeat against a very strong Owlsmoor team. However, the team didn't give up and kept going all the way to the end. Some cracking goals from Usmi and Emily and a well-deserved 'Player of the Match' given to Imogen!

Lambrook author visit

Y3 and 4 were lucky enough to be invited to Lambrook to hear Dr Mike Leach, wildlife author and photographer talk about his travels. He has recently returned from a 2 year trip to the Amazon where he studied all aspects of gorillas. The children were very engaged and were superb ambassadors for our school.
